### DETAILED ACTION

1. Claims 1-7 and 10-19 are allowed.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claim 9 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The claim is indefinite because the recitation of "the support member interposed between the support member and the internal chamber" makes no sense, as the "support member" cannot be "interposed" between itself and the "internal chamber". Such "support member" must be between the internal chamber and so other part of the apparatus.
4. Claim 9 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
5. As all of the claims have either been allowed or indicated to be allowable upon appropriate amendment, any remarks made by applicant in the November 23, 2004 amendment are moot and need not be answered by the examiner.
6. Applicant's response to this Office action should also include the following editorial changes: para. [0017], line 6, "which are" should be "which is"; claim 14, line 7, "on of" should be "one of"; and, in claim 17, line 3, "though" should be "through".
7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

Art Unit: 1724

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert H. Spitzer whose telephone number is (571) 272-1167. The examiner can normally be reached on Monday-Thursday from (5:30AM-4:00PM).
